Report of the auditor-general to Limpopo provincial legislature and the council of Greater Tzaneen Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Greater Tzaneen municipality set out on pages ... to ..., which comprise statement of financial position as at 30 June 2017, and the statement of financial performance, statement of changes in net assets and cash flow statement and the statement of comparison of budget information with actual information for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the municipality as at 30 June 2017, and its financial performance and cash flows for the year then ended in accordance with South African standard of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) and Division of Revenue Act, 2016 (Act No.3 of 2016) (DORA).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *Code of ethics for professional accountants* (IESBA code) together with the ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Restatement of corresponding figures

7. As disclosed in note 60 to the financial statements, the corresponding figures for 30 June 2016 have been restated as a result of an error in the financial statements of the municipality at, and for the year ended, 30 June 2017.

Uncertainty relating to the future outcome of exceptional litigation

8. With reference to note 39 to the financial statements, the municipality is the defendant in a claim. The municipality is opposing the claim. The ultimate outcome of the matter cannot presently be determined and no provision for any liability that may result has been made in the financial statements

Material losses

9. As disclosed in note 50 to the financial statements, the municipality incurred material losses of 81 444 950 units of electricity amounting to R99 452 000 (2015-2016: 75 794 203 units to the amount of R 59 812 000).

Material underspending of the conditional grant

10. As disclosed in note 17 to the financial statements, the municipality has materially underspent the conditional grant on improved access to affordable and sustainable basic services to the amount of R19 163 000.

Unauthorised expenditure

11. As disclosed in note 43 to the financial statements, unauthorised expenditure to the amount of R32 399 000 was incurred in the current year due to the municipality overspending on its approved budget.

Fruitless and wasteful expenditure

12. As disclosed in note 44 to the financial statements, fruitless and wasteful expenditure to the amount of R6 060 000 was incurred due to interest on late settlement of accounts and duplicates payments.

Irregular expenditure

13. As disclosed in note 45 to the financial statements, irregular expenditure to the amount of R26 024 000 was incurred, due to the contravention of supply chain management processes.

Other matter

14. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited supplementary schedules

15. The supplementary information set out on pages 101 to 111 does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion thereon

Responsibilities of accounting officer for the financial statements

16. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with SA Standards of GRAP and the requirements of the MFMA and DORA and for such internal control as the accounting officer determines

is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

17. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the accounting officer either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Auditor-general's responsibilities for the audit of the financial statements

18. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
19. A further description of my responsibilities for the audit of the financial statements is included in the annexure to the auditor's report.

I performed procedures to identify findings but not to gather evidence to express assurance.
36. The material findings on compliance with specific matters in key legislations are as follows:

Annual financial statements, performance and annual reports

37. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122 of the MFMA.

Material misstatements of non-current assets identified by the auditors in the submitted financial statement were subsequently corrected and the supporting records were provided subsequently, resulting in the financial statements receiving an unqualified audit opinion.

Strategic planning and performance management

38. The performance management system and related controls were inadequate as it did not describe how the performance planning, monitoring, measurement, review and reporting processes should be conducted, organised and managed, as required by Municipal Planning and Performance Management Regulation 7(1).

Procurement and contract management

39. Some of the goods and services of a transaction value above R200 000 were procured without inviting competitive bids, as required by Supply Chain Management Regulation (SCM regulation) 19(a). Deviations were approved by the accounting officer even though it was not impractical to invite competitive bids, in contravention of SCM regulation 36(1). Similar non-compliance was also reported in the prior year.
40. Awards were made to providers who were in the service of other state institutions or whose directors were in the service of other state institutions, in contravention of section 112(j) of the MFMA and SCM regulation 44. Similar awards were identified in the previous year and no effective steps were taken to prevent or combat the abuse of the SCM process, as required by SCM regulation 38(1).

Expenditure management

43. Reasonable steps were not taken to prevent unauthorised expenditure, as required by section 62(1)(d) of the MFMA.

Consequence management

44. Losses resulting from unauthorised, irregular as well as fruitless expenditure were not recovered from the liable persons, as required by section 32(2) of the MFMA.

Assets management

45. An effective system of internal control for assets was not in place, as required by section 96(2)(b) of the MFMA.

Other information

46. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report which includes the audit committee's report. The other information does not include the financial statements, the auditor's report thereon and those selected objectives presented in the annual performance report that have been specifically reported on in the auditor's report.
47. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.
48. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected objectives presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
49. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate, however, if it is corrected this will not be necessary

Internal control deficiencies

50. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance thereon. The matters reported below are limited to the significant internal control deficiencies that resulted in the basis for qualified opinion, the findings on the annual performance report and the findings on compliance with legislation included in this report.

- 55. The accounting officer did not review and monitor compliance with applicable legislation

**AUDITOR - GENERAL
SOUTH AFRICA**

Auditing to build public confidence

Annexure – Auditor-general's responsibility for the audit

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements, and the procedures performed on reported performance information for selected objectives and on the municipality's compliance with respect to the selected subject matters.

Financial statements

2. In addition to my responsibility for the audit of the financial statements as described in the auditor's report, I also:
 - Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control.
 - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer.
 - conclude on the appropriateness of the accounting officer, which constitutes the accounting authority's use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Greater Tzaneen Municipality ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial statements. My conclusions are based on the information available to me at the date of the auditor's report. However, future events or conditions may cause a municipality to cease to continue as a going concern.
 - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. I am responsible for the direction, supervision and performance of the group audit. I remain solely responsible for my audit opinion.

Communication with those charged with governance

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may reasonably be thought to have a bearing on my independence and here applicable, related safeguards.
